The Department is offering 21 Elective Courses. Students have to take FOUR Elective courses. Each elective course has a limit of 200 students. If an elective is not available as "Elective Course 1", it might be available under Elective Course 2, 3 or 4. The elective courses are available on a first-come-first-serve basis. An elective course will no longer be available once it gets 200 students.

Please refer to the time table to avoid time-clash for elective courses papers.

Note that classes and exams for electives in the same slot will be held simultaneously.

Therefore, you cannot choose more than one paper from one slot.

[Example: If you choose PS-E 29, then you CANNOT choose PS-E 39. However, you are free to choose any other elective course subject to the limit of 200.]
